

Plymouth Medical Society Historic Collection
Item Request Form

Please complete a separate Request Form for every item you wish to view. You must have signed and completed an Access Form before you can request items. Only 3 items can be viewed at a time

The form must be completed in full, and item barcode must be included to aid location. Title may be abbreviated if it is particularly long. Title on spine should be included if it is stated on the items' catalogue record

Item Details

Barcode:	Author:
Title:	Title on spine (if given):
